

What Can I Do if I Am Bullied?

*No one deserves to be bullied!
 No one has the right to hurt anyone!
 If you are being bullied you need to DO SOMETHING about it.
 People who bully keep doing so until they are stopped.
 Here are some good things to do if someone is bullying you.*

<p>Go to a safe place. Stay around other people.</p>	<p>Tell the person who is bullying that you don't like it.</p>
<p>Don't tease or hit back. Look strong and walk away.</p>	<p>Go to an adult you trust. Tell him/her the truth about what is happening.</p>
