

All the Little Ducks go Upside Down

All the little ducks go upside down,
upside down, upside down,
All the little ducks go upside down
as they dabble at the bottom of the pond.

*

All their little beaks go snap, snap, snap,
snap, snap, snap, snap, snap, snap,
All their little beaks go snap, snap, snap,
as they dabble at the bottom of the pond.

*

All their little tails go wiggle, waggle, wiggle,
wiggle, waggle, wiggle, wiggle, waggle, wiggle,
All their little tails go wiggle, waggle, wiggle,
as they dabble at the bottom of the pond.

This is a really cute little action song, that is very popular with toddlers, who are always delighted to demonstrate that they know exactly how to go upside down, heads bobbing down and bottoms in the air!

It has a simple, catchy tune, with a small range that small children find easy to pick up and remember. The actions are easy too, bobbing upside down in the first verse, snapping hands together for beaks in the second verse and wiggling bottoms like waddling ducks for the third verse.

This song is perfect when you go swimming and is great for encouraging children to put their faces in the water when learning to swim.
