by Andreja

It's time for some monkey business! Let's do a **paper plate monkey craft**, it's fun and super silly!

For this craft you need;

- two paper plates
- brown paper
- beige paper
- glue
- scissors
- pencil
- black marker

Color the paper plates brown. Leave one as is and trim the other one, cutting the edge and leaving the ears (you can also glue the ears on). Glue the paper plates together.

Have the kids trace their hands on the brown paper and cut the handprints. Cut the monkey face shape and draw the facial expression. Let's make a silly monkey!

Cut 4 strips of brown paper for the legs and arms and one swirly one for the tail. Glue all things together and you're done!

You can naturally add a banana!
