

# ***Hop And Pop Rhyming Activity***

This move and learn rhyming activity is an exciting way to practice rhyming and develop vocabulary with young children!

## **Supplies Needed:**

- Bubble Wrap
- Painter's tape

Cut (or use perforated) bubble wrap into 12"x12" squares.

Tape the bubble wrap to the floor

Have an adult call out a word (example: ball). Have child(ren) hop on a square and say a word that rhymes. Have them jump on a different square for each word they can think of that rhymes with the word the adult called out (example: wall, tall, call, mall).
