

# Apple Handprint

## Materials Needed:

- Red and Green Construction Paper
- Brown Marker
- Pencil
- Scissors
- Glue

## Directions:

- Cut and trace your hand on red construction paper
- Glue handprint upside down on another piece of construction paper
- Use a brown marker to make a stem on top of your handprint
- Cut and trace a leaf on green construction paper
- Glue the leaf on top of your handprint, next to the stem
- Optional: Write your name and the date on the top of the construction paper!
