

Beaded Snowflakes

Materials Needed:

- Pipe Cleaners (cut in half)
- Pony Beads
- Ribbon (optional)

Instructions:

- You will need 3 halved pipe cleaners for each snowflake you make.
- Fold all pipe cleaners in half, then straighten them back out. Twist two pipe cleaners together on the bend (from folding them in half). Then, twist the third pipe cleaner around the other two.
- Place 5 or 6 Pony Beads on each pipe cleaner- You can make fun color patterns with the beads!
- After adding the beads, curl the end of the pipe cleaner and stuff into the hole of the last bead. Do this to each pipe cleaner strand
- You can tie ribbon to one pipe cleaner end to hang your snowflakes up!
