Bow Tie Butterflies

Materials Needed:
• Bow Tie Noodles
• Construction Paper
• Glue
• Food Coloring
• Vinegar
• Container with tight lid

Instructions:
• Mix 1 teaspoon vinegar with your choice of food coloring- about 5-10 drops
• Put your noodles in a container with a tight lid
• Pour the vinegar and food coloring mixture into the container with the pasta- put the lid on and shake!
• Make as many butterflies as you desire and any color you want
• Let noodles dry by putting them on a cookie sheet
• When noodles are dry, grab a piece of construction paper and glue the butterflies onto the paper
• Add decorations like flowers, grass and antennas to your butterflies!
