

Butterfly

Materials Needed:

- Coffee Filter
- Clothespin
- Pipe Cleaner
- Markers
- Water

Instructions:

- Color and make designs on your coffee filter with markers
- Drop water onto the spots of the coffee filter where you colored with markers- this will spread the color around the coffee filter
- When dry, pinch the coffee filter in the middle- place your clothespin here
- Draw two eyes on your clothespin
- Wrap your pipe cleaner around the clothespin to make antlers for your butterfly
