

Come Home with Us

This lift-the-flap book introduces your child to homes and families from all over the world. Your child will learn about new foods, new games, where people eat and sleep, and more! Part of the fun of this book is lifting the flaps to reveal what is hidden underneath. After reading the book, play a game of hide-and-seek in your home. Choose something that your child will go and hide. When they return, ask questions to determine where the item is hidden. “Is it in the room where we eat?” “Is it in the room where you sleep?” Once you guess the room it is hidden in, go and find it! Next round, you hide the item, your child asks you questions about where it might be hidden, and then goes to find it! A fun way to play your own version of lift-the-flap!
