Cows Can't Jump

Learning Guide

This Guide is best used while reading aloud "Cows Can't Jump". After reading each two-page illustration, pause to look at the illustration with your child and then pose the Guide's questions. The tempo should be relaxed and the read-aloud session should be interactive. Use the questions as a springboard for further discussion.

The questions cover a wide variety of topics, such as colors, actions, shapes, sizes, places, things, counting, feelings/emotions and recognizing similarities and differences. The suggested questions can be modified or supplemented as desired.

After you finish reading "Cows Can't Jump", you can make up your own memory questions such as "Do you remember an animal that can form dams?", "Do you remember an animal that is green?" and "Do you remember which animal creates honey?".

Let's get started!
