

## The Dog Days of Summer

August is many times referred to as the “dog days of summer.” This is because August tends to be the hottest month in the summer and the heat makes you want to just lay around like a dog! Well, instead of laying around, why not do something special for your own dog or dogs at your local animal shelter? Let your child help you make dog biscuits by doing the following:

*Mix 2 cups of flour and 1 tbsp. of baking powder in a bowl. In another bowl, mix 1 cup of peanut butter and 1 cup of milk. Add the dry ingredients to the bowl of peanut butter and milk mixture to make a dough. Roll the dough out on waxed paper and use a bone-shaped cookie cutter to create the bones. Move to a baking sheet and cook in a preheated 350 degree oven for about 20 minutes.*

Make sure they are cool before serving one to your dog or bagging them to take to a shelter!
