

# The Disappearing D-O-N-U-T

Sung to: "BINGO"

Make a large donut shape from felt, cutting the donut into five sections. Glue the letters D-O-N-U-T on the sections. Assemble these on a flannel board to begin the activity.

I know a treat that has a hole  
As you can plainly see.  
D-O-N-U-T (Point to letters as you sing.)  
D-O-N-U-T  
D-O-N-U-T  
Save a bite for me!  
CHOMP! (Remove D)

I know a treat that has a hole  
As you can plainly see,  
(Clap) O-N-U-T (Point to blank space, then letters.)  
(Clap) O-N-U-T  
(Clap) O-N-U-T  
Save a bite for me!  
CHOMP! (Remove O)

Continue song, clapping for each section of disappearing donut, pointing to blank spaces and remaining letters until the donut is all gone.

I know a treat that has a hole,  
But now where could it be?  
(Clap-clap-clap-clap-clap  
Clap-clap-clap-clap-clap  
Clap-clap-clap-clap-clap)  
And there's none left for me!
