

# Handprint Mittens

## Materials Needed:

- Paint
- White and Colored Construction Paper
- Scissors
- Glue
- PomPoms or Cotton Balls (two for each hand)
- Hole Puncher
- Ribbon

## Instructions

- Paint both hands and make two handprints on White construction paper- Let the paint dry
- Cut around the two handprints you made.
- Glue onto colored construction paper- making the colored paper into a mitten shape
- Glue two Pompoms towards the bottom of the mitten
- Punch a hole on each mitten
- String your ribbon through both holes- this makes them a matching set!
- Now you can hang your pair of mittens up!
