

Honey Bee

Materials Needed:

- Toilet Paper Tube
- Yellow, White, and Black Construction Paper
- Black Marker
- Black Pipe Cleaner
- Glue
- Scissors

Instructions

- Wrap yellow construction paper all around the tube.
- At the top of the tube, draw two eyes and a smiley face
- Cut/shape pipe cleaner for the antennae- glue to the inside of the tube
- Cut and glue two wings for the bee out of white construction paper
- Wrap strips of black construction paper around the tube to make stripes for your bee.
