

Moon And Stars

Materials Needed:

- Cardboard
- Aluminum Foil
- Yellow Construction Paper
- Pencil
- Scissors
- Glue
- Tape
- String

Directions:

- Trace and cut the shape of a crescent moon on a piece of cardboard
- Trace the shape of your Moon twice on a piece of Aluminum Foil
- Cut and glue the foil to each side of your cardboard moon
- Trace and cut out 2-4 stars on a piece of cardboard
- Trace the shape of your stars on yellow construction paper
- Cut and glue the yellow construction paper to each side of your cardboard stars
- Tape individual pieces of string to each star, and tape the other end of the string to the back of your moon
- Tape a piece of string to the back of your moon- you can use this string to hang up your moon and stars!
