Firefighters used to use horse drawn fire engines. Dalmatians were brought in to help with the horses and have been a firefighter's best friend ever since.

5 Little Leaves

Five little leaves on the tree next door,
One fell off and then there were four,
Four little leaves all over the tree,
A bird pulled off one and then there were three,
Three little leaves where the wind blew,
One fell off and then there were two,
Two little leaves sitting in the sun,
A bug ate a leaf and now there is one,
One little leaf in the tree all alone
The wind blew and blew and now there are none.
