

Brown Paper Bag Bear

Materials Needed:

- Brown Paper Bag
- Brown Construction Paper
- Glue
- Scissors
- Black and Brown Markers

Instructions:

- Using your Brown Construction Paper, cut out 2 bear ears
- Glue the ears to the back of the brown bag (which is the side that does not have the flap)
- Using a black marker add 2 eyes and a nose to your bear on to the flap of the paper bag
- Under the flap place a smile for your bear (make sure you can still see the smile when the flap is down!)
- Make 2 arms for your bear, then glue the arms to the top of the bag
- Add a tail to the back of your bear using a brown marker
