

# Make your own New Year's Day Party Hats!

What you need:

- A Piece of Paper (Your choice of Color)
- Coloring Supplies (Crayons, Markers, Colored Pencils)
- Decorative Supplies (Glitter, Ribbon, Pom Poms)
- String
- Glue
- Tape
- Scissors

- Roll your piece of paper into a cone shape, glue the top (so the cone shape stays) then cut the bottom of the cone to make it even.
- Decorate the cone by coloring it or gluing pieces of ribbon on it.
- Attach pieces of strings on both sides of the Party Hat. The strings will allow you to tie the hat on to your head!
