

Celebrate National Pink Day (June 23rd) with this simple craft kids will love!

handprint flamingo

You will need:

- Pink Washable Paint
- Glitter
- Black Marker
- Paint Brush

Have kids paint their hands with pink paint and stamp it sideways on a piece of white paper. Take some colored glitter and sprinkle it all over the body. Take a paintbrush and make the flamingo's head. Once the paint is dry, add some legs, an eye, and a beak with the black marker!
