

Play in Any Weather

By Lizzy Doyle

This indestructible book is a great one to share with your child because they can pull on it, put it in their mouth, or even drop it in water, and it cannot be destroyed! This book's illustrations show how you can have fun in any weather. Clouds seem to be present no matter what the weather is. Whether rain or snow is falling from them or they are moving across the sky on a windy day, clouds are always around us. Take the time to lie on the ground with your child and look up at the clouds, and share what you see. Is that a rabbit? Wait, I think I see an ice cream cone? What do you see in the clouds??
