

# Sponge Target Game

The best part of summer is taking playtime outside. Combine outside playing with some unexpected twists and you've got a winning activity on your hands.

What you will need:

- Sponges
- Shower Curtain Liner
- Red Paint

Paint a bull's eye on a shower curtain liner. Fill a bucket with sponges (several) and water.

The goal is simple, hit the bull's eye with the sponge.

What skills are being taught?

- Gross Motor Skills
- Hand eye coordination
- Cause and Effect
