

Llama Llama zippity-zoom

by Anna Dewdney

Llama Llama is having a fun day outside! He's riding his bike, going down a slide, swinging, and much more! Let your child put on their red pajamas (or anything red!) and have some fun outside too. See how many things your child can find to do as Llama Llama did. Then, reread the book and have your child point to the things they did, just like Llama Llama!
