

Make Your Own Wocket For Your Pocket!

Materials Needed:

- Attached Pocket Design
- Coloring Materials
- Construction Paper
- Scissors
- Glue
- Yarn

Instructions:

- Cut out the attached pocket pattern
- Staple the outer edges of the pocket to a piece of construction paper
- Using another piece of construction paper, draw and cut out your wocket- then using your coloring materials and yarn, design your wocket
- Place your wocket inside the stapled pocket!
- What did you name the wocket in your pocket? Write the name of the wocket on your pocket and then design your pocket!
