

the 8th annual
Career Coloring Book
From Wichita State University SIFE and Teachnet.com

What do you want to be?

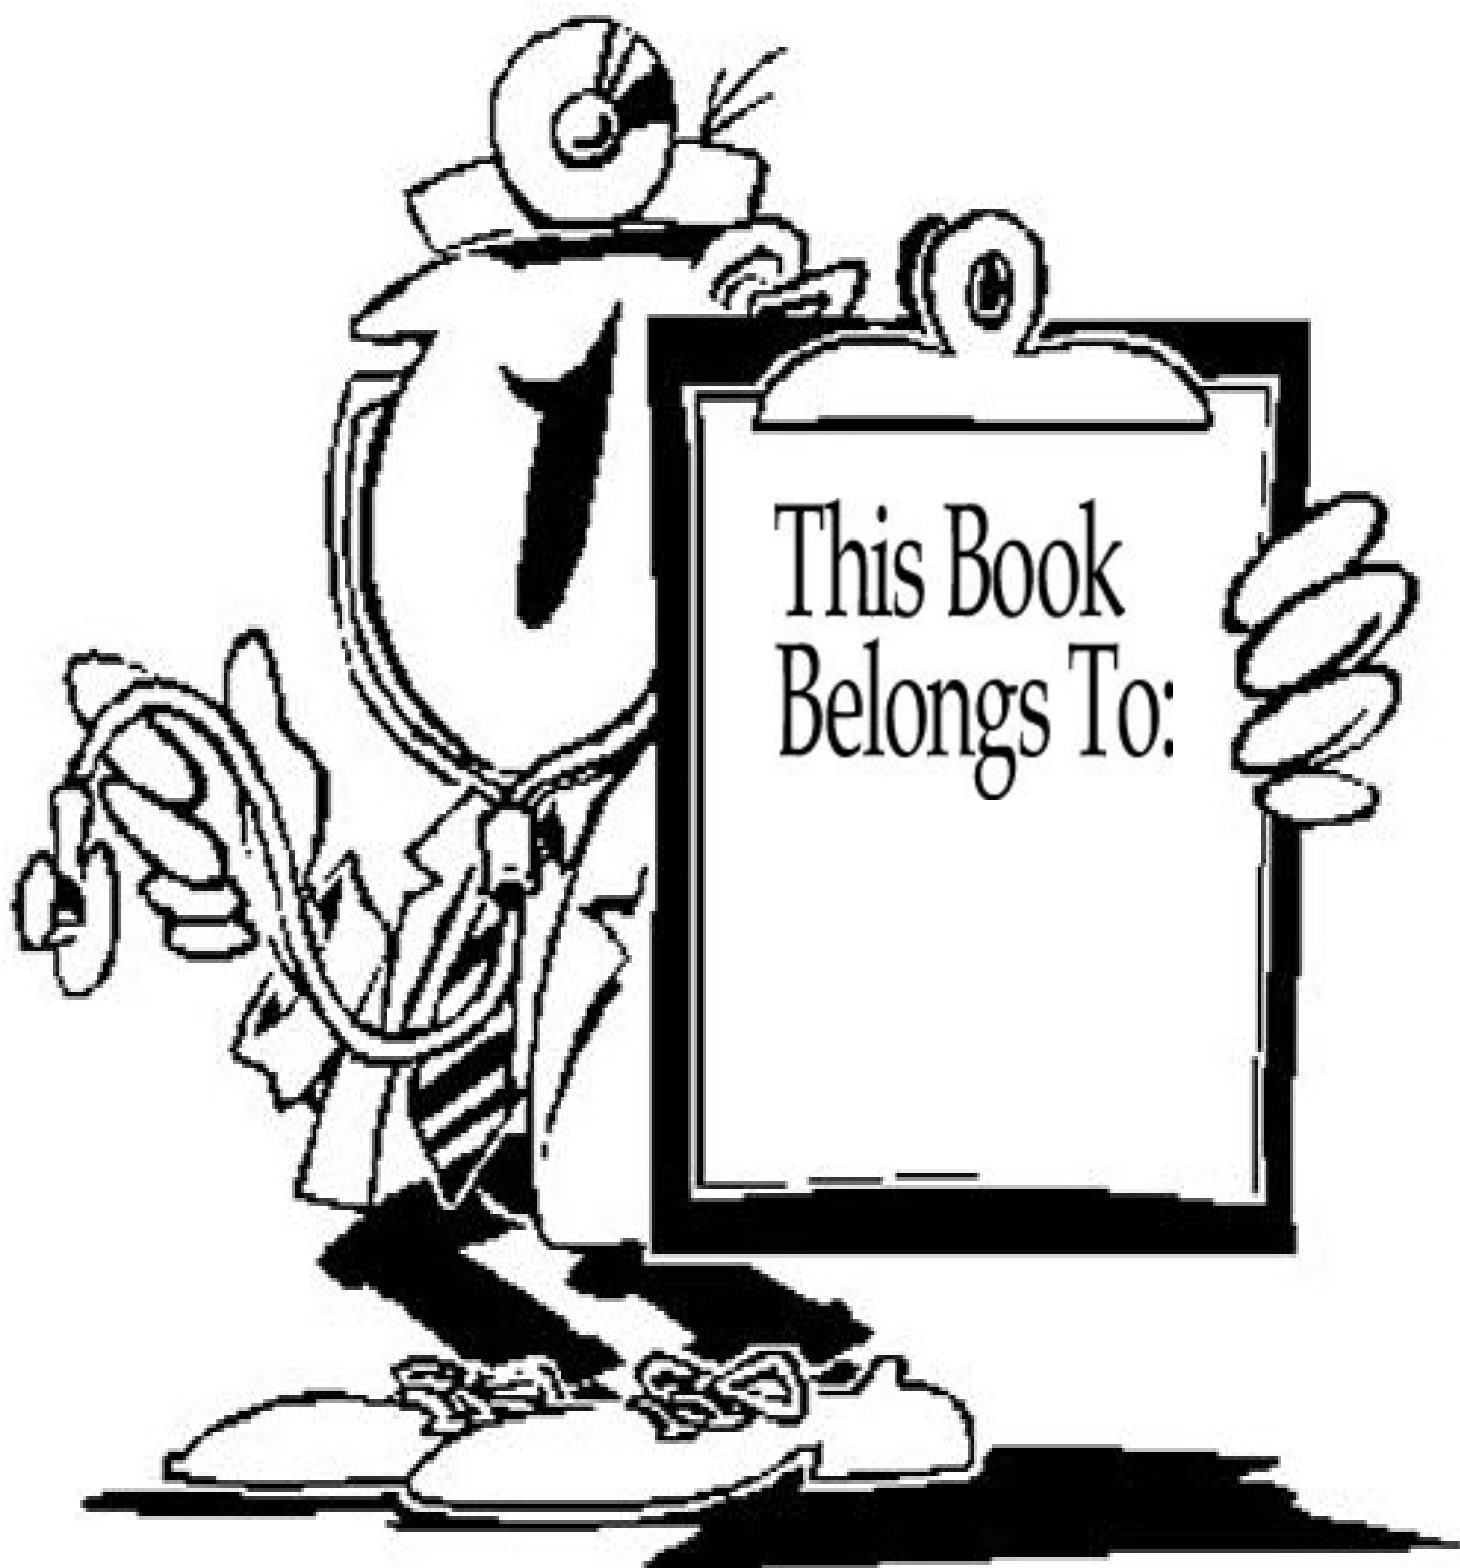

Dear Parents & Teachers,

These coloring books were designed to stimulate the interest of your children or students concerning the vast opportunities awaiting them in their futures. The idea of this coloring book, What Do You Want to Be, will encourage them to visually think about what they dream of becoming someday. May their futures be bright!

Sincerely,
Students In Free Enterprise(SIFE)
