

# Celebrate Martin Luther King Day

**WRITE YOUR DREAM** or wish for a better world on the lines below. Print more and write as many as you can. Ask a grown-up to help cut out and attach a string to each circle. Hang them on a bulletin board or wall, on a shelf or on a door knob. You can also attach them to a ribbon to make a banner. If the weather is good, you can decorate a tree or fence with them!

*Works best printed on thicker paper.*
